Dear Mr Singh

May I first apologise for not responding to your letter dated 14th April 2010. I had passed your letter to our commissioning team in order to provide the information requested and I am aware that they have furnished you with a great deal of information.

May I say that I fully support the work of LINK and wish to be of whatever assistance I may be in the delivery of your duties. I believe, however, that some of the information you have asked for may not be appropriate or may be difficult to release.

Can I suggest that I meet with you, together with Mr Martin Samuels, Director of Strategy, Service Transformation and Planning, at your earliest convenience so that we can ensure that we support you as appropriate and provide you with the relevant information. I have asked my PA, Gillian Synnott, to contact you to arrange a meeting as soon as possible.

Yours sincerely

Kevin McGee
Chief Executive
